ANDRE: (READS) (YOU COULD DISSOLVE INTO THE PHANTOM'S VOICE DURING THE READING)

Gentlemen,

I have now sent you several notes, of the most amiable nature, detailing how my theatre is to be run. You have not followed my instructions. I shall give you one last chance.

I shall watch the performance from my normal seat in Box Five, which will be kept empty for me.

Should these commands be ignored, a disaster beyond your imagination will occur.

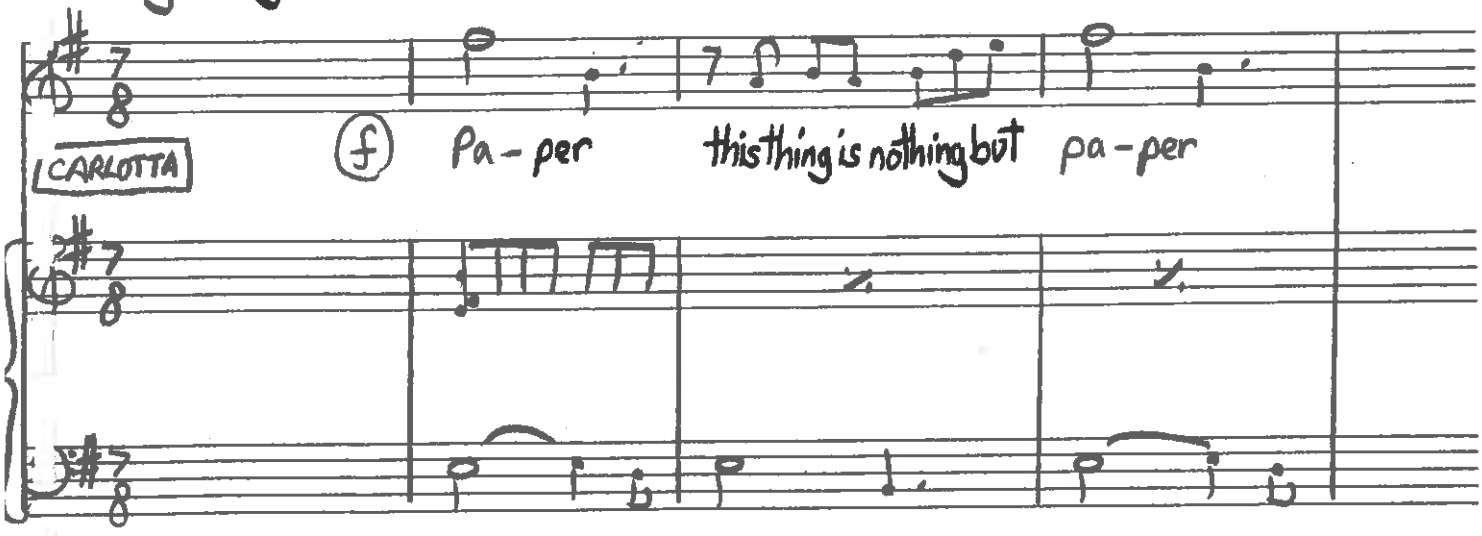

I remain, gentlemen.
